Participants
Researchers, students, policy makers, occupational health professionals, journalists, employee- and employers organisations, and others interested in the topic.

Registration
The participation fee is 500 DKK (students: 200 DKK). Registration is binding and registered in the order of placement. Please note that the venue is limited to 96 participants. Participation is free for presenting authors.

Registration with name, position, institution, and e-mail of each participant must be mailed no later than October 25th, 2022, to vskio002@regionh.dk

We automatically send an electronic invoice to all registered delegates after the registration deadline. You are therefore requested to state one of the following numbers:
Public employees: EAN number.
Employees in companies without EAN number: CVR number.
If you pay personally, please state your CPR number.

By registering, you consent to processing and storage of your personal information for the present and future Stress Research Conference promotions. Please let us know, if you do not wish to share your information on a participation list.
**Time and venue**

Tuesday, November 1st, 2022, from 9.00 to 15.30 in-person at Niel-sine Nielsen Auditoriet, University of Copenhagen, Maersk Tårnet, Nørre Allé 6, 2200 Copenhagen N.

Get information about parking and directions via [this link](#).

**Keynote speakers**

This year we are delighted to present 2 keynote speakers:

- **Associate Professor, Mette Lykke Nielsen** from the Danish Centre for Youth Research at Aalborg University. Mette will speak about poor well-being and stress when young people enter the labour market.

- **Professor Naja Hulvej Rod**, Head of the Section of Epidemiology at the Department of Public Health, University of Copenhagen. Naja will speak about stress in a life-course perspective based on results from the Danish Life Course (DANLIFE) Cohort.

**About**

The conference aims to promote the exchange and discussion of new stress research and to coordinate and strengthen Danish stress research. We encourage all with interests in stress research to participate.

The conference is organised by the Copenhagen Stress Research Centre, which is a collaboration between the Department of Occupational and Environmental at Bispebjerg and Frederiksberg Hospital, Department of Public Health at Copenhagen University (Section of Epidemiology and Section of Social Medicine), and the National Research Centre for the Working Environment.

Follow #StressResearchCPH on LinkedIn to stay updated with our latest research, conferences, and other news.

For more information and questions about the conference, please contact Vibeke Skibsrud, mail: vskio002@regionh.dk

**Call for abstracts**

We invite all researchers to submit their abstract within studies on stress in its broadest sense for presentation at the 18th Stress Research Conference.

Deadline: September 4th, 2022. Approved abstracts will be selected for either oral presentation or poster presentation. Feedback will be given by email in late September 2022.

We must not exceed 300 words and should be structured: Background, Methods, Results, Discussion, and Conclusion. Please state the primary affiliation of each co-author and note the presenting speaker with *.

Submit your abstract via [this link](#).
